Paving the Way for the Harmonized Operational Framework in the Baltic Sea Region (HOF-BSR)

HOF-BSR is a transnational project that aims to develop the Baltic Sea Region as a model region in identification and provision of comprehensive and sustainable assistance to victims of human trafficking.

Specific objectives

- To maximize the effectiveness and unify practical cooperation among experts involved in the fight against human trafficking by developing a Transnational Referral Mechanism in the Baltic Sea Region.
- To address the gender dimension of human trafficking and victim-blaming stereotypical attitudes by providing mass media with knowledge and tools needed to report on human trafficking cases.
- To strengthen and expand TF-THB cooperation network by establishing contacts with main countries of origin for victims of human trafficking - Bulgaria, Romania and Ukraine.

Activities

National inter-institutional mapping excises in all CBSS Member States.

Development of a Transnational Referral Mechanism (TRM)

Development of a glossary of terms related to the issue of human trafficking.

A one-day workshop for local actors with special focus on journalists.

Development of a manual for journalists reporting on cases of human trafficking.

Fact finding missions to Bulgaria, Rumania and Ukraine to establish concrete cooperation with relevant state authorities and civil society organisations.

International workshop to test and validate developed TRM in the Baltic Sea Region.
